**CALL FOR PARTICIPANTS**

# Empowering Health Literacy in veterans and veterans' families

**THE GALLIPOLI MEDICAL RESEARCH HAS LAUNCHED THEIR LATEST STUDY TO UNDERSTAND THE GAPS IN HEALTH LITERACY IN QUEENSLAND VETERANS AND VETERANS' FAMILIES.**

We are seeking veterans and their family members to complete an online survey about how you find, understand and use health information, and how you manage your health and interact with doctors and other healthcare workers.

The survey will take approximately **20 to 30 minutes** to complete.

## YOU'RE ELIGIBLE IF:

1. 18+ years of age;
2. An Australian citizen or Australian permanent resident residing in Queensland;

AND

3.1. A former serving member of the Australian Defence Force (Navy, Army, or Air Force) who has had at least one day of continuous full-time military service;

OR

3.2. A family member of a former serving member of the ADF who has had at least one day of continuous full-time military service.

*A family member can be spouse, partner, child, parent, step-parent, step-child, adopted child, grandparent, grandchild, sibling, in-law, and persons who 'stand in the position' of a parent or child.*

## TO PARTICIPATE
